

**“SINGLE FILE”:** Upon command, the left column falls in behind their partners. The right column must spread out to an 8’ interval to allow the left column in.

**COMMAND:** “Single File”

To break from this formation the lead GL takes the team down the “curb” and at the end of the field has the team return to Deuce on the Center Line. GL’s 2,4,6,8,10, and 12 turn short to come back into Deuce. A 2’ interval is maintained in Single File, 8’ in Deuce.
