

“CHICKEN”: The two columns split off in opposite directions to the end of the field making a single file turn lining up on the right side of the centerline with both columns coming toward each other. As the GL’s pass in opposite directions each GL finds their “Turn on” partner and as their saddlebags come side by side, riders perform a snappy left turn, passing in front of the next GL in line at approximately 45 degrees. **THERE IS NO COMMAND OF EXECUTION IN THIS MANEUVER. YOU MUST BE IN POSITION SO AS TO EXECUTE TOGETHER.** After the pass-through, go half way to the curb then straighten up continuing down the field in single file. Maintain a 10’ interval, perform a single file turn-back and prepare to perform the CHICKEN again. **YOU MUST TURN IN FRONT OF THE SAME PARTNER GOING IN BOTH DIRECTIONS!**

COMMAND: ‘Set Up for Chicken’ To break, left line Flairs into right line
